

**RE: Letter of Recommendation  
A.W. McCay Contracting, Inc.**

To Whom It May Concern:

Sierra Associates is a development company who has constructed retail offices and hotels in the Pittsburgh area over the past 20 years. We have used A.W. McCay Contracting for most of our previous jobs. These projects have ranged from \$1 million to \$15 million. They were consistently finished on time and were at or below budget. A.W. McCay Contracting is currently in our employ building a Generation 4 Courtyard by Marriott at Settler's Ridge in Robinson Township.

We would like to highly recommend A.W. McCay Contracting to anyone interested in dealing with a company who has high integrity, professionalism, great execution and coordination of all professionals involved with the project.
